Multinational Business Finance (14th Edition) (Pearson Series In Finance)

Synopsis

For courses in International Finance. \hat{A} Authoritative, Comprehensive Coverage of Contemporary International Finance Renowned for its authoritative, comprehensive coverage of contemporary international finance, *Multinational Business Finance* trains the leaders of tomorrowâ™s multinational enterprises to recognize and capitalize on the unique characteristics of global markets. Because the job of a manager is to make financial decisions that increase firm value, the authors have embedded real-world mini-cases throughout to apply chapter concepts to the types of situations managers of multinational firms face. \hat{A} The Fourteenth Edition, now with MyFinanceLab, attempts to capture the rapid evolution of our global marketplace, taking a closer look at the types of organizations that permeate the widespread arena, competition and opportunities in emerging markets, and how financial leadership can integrate the strategic and financial challenges that global businesses face today. \hat{A} Also Available with MyFinanceLab \circledR This title is available with MyMathLabâ“an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. \hat{A} \hat{A} Note: You are purchasing a standalone product; MyFinanceLab does not come packaged with this content. MyFinanceLab is not a self-paced technology and should only be purchased when required by an instructor. Students, if interested in purchasing this title with MyMathLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. \hat{A} If you would like to purchase both the physical text and MyFinanceLab, search for: \hat{A} 0134077318 / 9780134077314 *Multinational Business Finance* Plus MyFinanceLab with Pearson eText -- Access Card Package, 14/e Package consists of: 0133879879 / 9780133879872 *Multinational Business Finance* 0133917487 / 9780133917482 MyFinanceLab with Pearson eText -- Access Card -- for *Multinational Business Finance* \hat{A}

Customer Reviews

This is the same text as the more expensive version. Do yourself a favor and save your money and buy this book. Then go out to the bar and spend the 120 dollars you saved on some drinks and enjoy college. Lol. Or... Invest it.

Beware if you are downloading the rented kindle edition. I have 2 pcs running windows, 1 tablet running windows 8, 1 tablet running android, and a kindle and the ONLY thing this book will download onto is my phone. Who in the world wants to read an upper level finance textbook from their phone? Of course, after I discovered this, there was not an option to return the book even though it was 5 minutes after placing the order.

The book was great, but the index had been cut out of the back. I really disliked that. The book was in good condition otherwise and I received email notices from reminding me to return the book when my rental time was up, which was a nice reminder.

The book was exactly what I needed for my class at a fair rental price. I'm concerned because I've only been using the book for two weeks and the binding is coming apart at no fault of my own. I'm hoping that I won't be penalized for that, as it is obvious that this book has been in many people's hands.

Although this book covers strategies and concepts, it doesn't give much reasoning behind those strategies and concepts. Not much explanation in layman's terms.

Conclusive and thorough. It is a dense read at times but provides exceptional insight to those matters most pertinent in today's globalized economy.

Easy to read, a lots of useful info. Great graphs allowed to memorize more material. Great quality an in general very well organized book.

Enjoyed this textbook. A well written and formated book perfectly fit for the student of International Finance. I recommend it.
