This book gets right down to business in a hurry with how to use Facebook to start raking in cash right away. I was blown away by the step by step approach on how to get this normally time wasting social media site to actually turn into a business for you. The best part is that there are multiple ways to earn money from Facebook and this explores them all. The money I have made from Facebook as a result of this book way more than compensates for the small price I paid!

Facebook is one of the best ways to promote products and services. Facebook is known to everybody that makes it more popular and can produce lots of potential customers. All the 25 Facebook Marketing strategies written here are very helpful as well as effective. At first if you are already popular with using Facebook, you will think that it is quite easy to venture the Facebook Marketing, but it takes a lot of efforts, knowledge, experience and ideas before you can get the result you wanted. However, through this book, you will be packed with all you need to know about Facebook Marketing strategies. This is such an informative read especially if you are looking for tips on how to make your Facebook Marketing ideas stand out among others.

If you are a business owner or someone who has anything to communicate to a large audience

through a page in Facebook, this book will be useful to you. I have two pages and this book give me an in-depth understanding of all the different advertising Facebook lingo, the meaning of charts and graphs, how to maximize on the effectiveness of my ads and engagements. etc. You can search the internet and learn about many of the topics covered in this book but it's nice to have them in one place. Plus you can refer to this book from time to time to refresh your memory on certain things. Internet advertising is getting sophisticated and complex by the day. If you wish to succeed in reaching your potential customers, you need to understand how to accomplish that.

It's a good guide if you are a newbie to using Facebook for promoting and marketing your business. Things were explained well. Every chapter were straightforward and uses terms easy to follow. Recommended!

Facebook is really on trend right now, you can easily access with everyone and anyone in here. Just a few clicks and poof! there's the person you want to be friend with. But I guess what made facebook a hit and a boom to everyone is that it just have a lot to offer, the pages or groups that you can like or join if it is your interest, like the vine, the sports group and a lot more. There are also games or apps that can keep you occupied during your leisure time, it even made some games famous like the farmville and candy crush. So people around the world are so into facebook, they are in facebook a lot of time of their lives. So marketing is into facebook as well since the populace is of facebook is getting wider. And this book will help you on how to market your product on facebook. It is easy to read and a lot of instructions that will come handy. Great job!
