The Quick Start Guide To Starting A Clothing Line

Synopsis

Do you dream of having a clothing line of your own? Do you feel you have the style sense and fashion insights to change the way people dress up today? If yes, then you must give starting a clothing line a try. However, many people, even designers, are unaware about the different intricacies involved in starting a clothing line of your own. This audiobook is a starter's guide for anyone who wants to start a clothing line and get started on it as soon as possible. It is a concise and precise statement of the steps that you shall need to follow to get your clothing line started. Besides this, this book also gives you hands-on advice on the things that you can do to improve your chances at achieving success in this business venture. Follow the steps given in the book and unleash the designer in you!

Customer Reviews

This is so poorly written I couldn't understand nor continue after the first chapter.
