## Customer Reviews

Check this new book if your a surfer / longboarder who lives to ride classic point breaks. Tons of off the radar ideas for your next vacation. You ever heard of N' Tirft in West Sahara? Me neither, but it looks real nice and completely deserted!! Book also has plenty of good info about all the famous surf destinations (Costa Rica, Maldives, France, etc) so ideal for groms who havent done much travelling yet. Bonus sections at the back include intresting stuff like annual events and music festivals around the world which you can synch with your trip. Cool book.
