Love this calendar. This is an ongoing tradition at my home that brings my two kids and I together at the beginning of every month for "THE FLIPPING OF THE PIGS". We all get together and turn or flip the month to reveal the new pigs.(No Peeking at Future Pigs !!) Tried a different calendar one year, but returned to the diminutive charmers @ my kids request.

I get this calendar for my daughter every year at Christmas and she loves it. She gushes over the pictures so much I want to go to the farm and get her one of them. I think they are so cute too. Definitely a yearly tradition.

If you like pigs, then you will love this calendar. The pigs (or probably piglets) are small enough to fit in someone's hand. Other than the cuteness factor, the calendar is well made.

I gave it a 5 star rating and I just love it and I know my daughter will too. It's a Christmas gift for her

as I get her one every year! Thank you.

Even cuter in person. Good quality calendar.

Got this for my mom. The photos are vivid and shockingly adorable. Like, squealing in a high-pitched shriek, jumping up and down adorable. The pigs are almost as teeny as the cost of the calendar!

I adore the little piggies. This is the third year I have purchased his calendar. Every month is a treat! If you know a pig collector, this is sure to please!

I've always enjoyed teacup pigs so I love this calendar. Not quite as cute as the ones from last year but still adorable to look at.
