Worst \$12.97 I have ever spent! Just look up Potbelly pigs on the internet and you will get better information than this. A lot of it doesn't even make sense. This guy is NOT smarter than a 5th grader!

Very helpful information for first time pot belly pig owners

Lots of good info, still things they could have added.

Perfect starter book.

It wasn't as informative as I had hoped. I was disappointed.

Not a complete owners guide. Very basic beginners info.
