Starting A Call Center For Dummies: Success From A To Z

Synopsis

A quick e-book designed to help you get a call center going with minimal costs and proven success! This book is designed to take someone that has interest in starting a call center or simply adding the telemarketing portion of the call center into your business from A to Z. A to Z being from idea to actuality. A lot of people want to become the owner, and want to run the show but are unaware of how simple it really is to get started. This book will show you just how simple it is, lay out all the obstacles and even offer advice of how to find the cheapest most effective tools to help your start up costs become as minimal as possible
