# South America Executive [Tubed] (National Geographic Reference Map)

## Synopsis

From the Isthmus of Panama to the southern reaches of Cape Horn, National Geographic's wall map of South America combines beauty with function. The antique-style Executive map uses a rich color palette and stunning shaded relief that fits with any decor. Ocean features and currents, as well as depth curves and soundings add context to the continent's extensive coastline and the diverse human populations that inhabit those shores. Coverage includes the countries and major cities of Argentina, Bolivia, Brazil, Chile, Colombia, Ecuador, Guyana, Paraguay, Peru, Suriname, Uruguay, and Venezuela. The map is packaged in a two inch diameter clear plastic tube. The tube has a decorative label showing a thumbnail of the map with dimensions and other pertinent information. ## Customer Reviews

The map is excellent. Only reason for not giving it five stars is that it was smaller than I expected. This is not the seller's fault cause the dimensions were clearly mentioned. Quality of map is excellent, the shipping was prompt and product arrived in very good condition.

This is a great map perfect coloring. However the shipping tube only had one end cover. The box it

was shipped in was larger than the tube so the map slid out and was mashed on one side. It still works for our use but not packaged well. Otherwise great map of South America.

It came in a poster tube. Like new, crisp and no holes or tears. Looks just like the picture. No complaints.
