Big Hero 6, Vol. 2

Synopsis

Hiro teams up with Baymax to resolve the mysterious disappearance of his brother and role model, Tadashi. With four reliable friends and an upgraded Baymax by his side, Hiro finally confronts the masked man, the one who holds the key to the truth!! Spurred by his desire for revenge, Hiro corners the masked man, but then something goes wrong with Baymax?! Read the wonderfully miraculous conclusion to the story of a boy and his kindhearted health-care robot!

Customer Reviews

The last volume of the Big Hero 6 manga adaptation, and it doesn't disappoint. A few things are different than the movie and it works very well to the strengths of the comic medium, and you get to see more of Tadashi. The artwork is also really cute! I highly recommend it if you enjoyed the movie or are looking for a feel-good story.

This manga was quite different than the movie, however that isn't necessarily a bad thing. The changes that were made were bold and some of them really added to the story. I admit that I was shocked to see things wrapped up so quickly and I really do hope that there are other volumes in the series, contrary to what the note at the end says. I just want more of it and wish it was longer is why this isn't five stars!

The characters were paper thin. The exposition was clunky and very in your face. The resolution

was not satisfying. Many events felt illogical and seemed to only occur the way they did only because that was what the writer wanted. Forced and clunky overall.

The second half of the Big Hero 6 manga brings the story to a great conclusion, packing tall the emotional punch of the movie. The one negative is the book's pacing. It dispenses more backstory and in the middle of the action in a way that slows the book's pacing down. Still, it's an enjoyable expansion of the movie with a couple twists thrown in.

I finished reading the first volume last night. And after reading the second vol. I actually thought it was professor Aquino but all in all an epic manga.

Such an amazing read, with some funny and sad parts. I recommend the manga series to anyone who enjoyed the movie!

I loved both volumes - I just wish there was more so we can enjoy more of the manga world of San Fransokyo

Just...dissatisfied that Hiro never found Tadashi. It made me cry a lot. I wish it had a different ending.
