Yu-Gi-Oh! (3-in-1 Edition), Vol. 4: Includes Vols. 10, 11 & 12

Synopsis

Tenth-grader Yugi always had his head in some game--until he solved the Millennium Puzzle, an Egyptian artifact containing the spirit of a master gambler from the age of the pharaohs! Possessed by the puzzle, Yugi becomes Yu-Gi-Oh, the King of Games, and challenges evildoers to the Shadow Games...weird games with high stakes and high risks! The diabolical Player Killer, Pegasus™ second gaming assassin, challenges Yugi to a duel of darkness! In the shadow of the "Castle of Dark Illusions" card, an army of lurking monsters hungers to steal Yugi's life points, and if he loses, his actual life! As the tournament continues the action moves underground. Trapped in the tunnels beneath Duelist Kingdom, Yugi and Jonouchi must conquer the maze of the Meikyu Brothers in a two-on-two duel. Waiting in the Brothers™ deck is the Gate Guardian, lord of the underworld and one the most powerful monsters of all.

Customer Reviews

I love these 3 in 1's. They are so thick and full of content, and are a very affordable way to experience the entire series! I will continue to purchase and read them as they release. Yu-Gi-Oh! changed history with its epic Egyptian storylines and folklore. No matter how old you are, you will find enjoyment in this classic series. It is the definition of a legendary saga.

yu gi yo! is the most intense, funny anime I ever laid eyes on! I thought Noah was hilarious when

he said: "didn't you here my father? He's bringing th whole world in here!" and he started swaying and shook as he maniacaly laghed while mokuba shook him by his shoulders! -Carson Jackson , chassell up Mi,USA
