The Best 167 Medical Schools, 2016 Edition (Graduate School Admissions Guides)

Synopsis

Get the Inside Word on Medical Schools. The Princeton Review's The Best 167 Medical Schools gives you complete and up-to-date info about the best allopathic, osteopathic, and naturopathic schools in the U.S., Canada, and Puerto Rico. This guidebook offers a wealth of the info you need to know when applying to med school, including:

- The Inside Scoop on Med Schools
- Key details about deadlines, tuition, and admissions criteria
- Information on each school's training programs, student life, and more
- Advice for Non-traditional Applicants
- Follow 8 aspiring doctors through the admissions process
- Explore the financial implications of a career change
- What to Expect at Your Admissions Interview
- Tons of sample questions to help you prepare
- Advice on how and when to follow up with your interviewer

You'll also get:

- Easy-to-use snapshots of each school's admissions criteria, deadlines, telephone numbers, tuition figures, e-mail and snail mail addresses, and other key info.

Customer Reviews

This edition no longer gives detailed statistics for number of applicants interviewed, acceptances offered and final number of matriculations. Also there does not seem to be any new information over last years edition at all. Very disappointed.

I bought the book for my daughter who will start medical school this coming summer. She likes it. I recommend it.

Very good!
