Customer Reviews

Excellent book by very well-qualified honeymoon expert. I enjoyed it!

This book makes you realize how important it is for a couple to take time together and how it affects having a happy marriage, especially at the start!

Shannon has been planning wonderful Honeymoons for years - I am so happy with the guide to planning the perfect honeymoon (or maybe just a really romantic trip).

Shannon is obviously an experienced Romance Travel Consultant and has some great advice for couples in the planning stages of their wedding & honeymoon. Say "Yes" to this book....you won't be sorry!

A delightful book written especially for the wedding couple to aid in planning their honeymoon. Shannon includes tips on choosing a location, working within a budget, practical travel guidelines

and great suggestions on how to make the trip relaxing and memorable. Most importantly, Shannon explains how hiring an experienced trip advisor can save money, time and stress.
