# What To Do When You Don't Know What To Do

## **Synopsis**

Not sure what to do next? Sometimes the big and small decisions in life seem overwhelming. How do you know what choices to make about your career, kids, and relationships? Even when you make good decisions, how do you avoid temptation along the way? In *What to Do When You Don't Know What to Do*, renowned Bible teacher Dr. David Jeremiah walks you through the book of James to glean God's wisdom on issues such as finances, faith, and decision making. What does it look like to consider God in all of your plans, depend on God rather than wealth, and put prayer above your personal efforts? It looks, as James discovered, like living a life of great joy.

## **Customer Reviews**

After hearing much about the knowledgeable Dr. David Jeremiah, I was so pleased to finally get the chance to read one of his books. What did I find out? He is a knowledgeable man of God, with much wisdom to share to Christians.'What to Do When You Don't Know What to Do' focuses on the book of James for the main scriptural readings. Chapters in this book include:What to Do When the Heat's Turned UpWhat to Do When Wrong Seems RightWhat to Do When the Mirror Doesn't LieWhat to Do When Justice Isn't BlindWhat to Do When Faith Doesn't WorkWhat to Do When Your Tongue Isn't TiedWhat to Do When Wisdom Is FoolishWhat to Do When Worship Turns to WarWhat to Do When Your Goals Aren't God'sWhat to Do When Your Net Worth Is WorthlessWhat to Do When You're in a Hurry and God Isn'tWhat to Do When Pain Leads to PrayerAlthough each topic might not hit home for you, there's still so much to learn from. I soaked in excellent points and

Biblical references from each chapter, even if I don't experience the exact issue at hand. I'm sure my notes from each topic will help at a later point in my life. For example...This is the kind of book where if you were to read it 5 different times in your life, you would glean new information each time. Just because something didn't apply to you the first time you read it, it will likely mean more later on, and vice versa. Along the way, I also learned much that I didn't know before about James. I had either forgotten (or maybe didn't even know) that James was one of Joseph and Mary's sons. How could I not remember that Jesus' earthly brother contributed his writings as one of the books of the Bible?
