El Diario De Ana Frank (Anne Frank: The Diary Of A Young Girl) (Spanish Edition)

Synopsis

«De entre los muchos que, a lo largo de la historia, han hablado en nombre de la dignidad humana en tiempos de sufrimiento y muerte, no hay ninguna voz que tenga más peso que la de Ana Frank.» John F. Kennedy

Tras la invasión de Holanda, los Frank, comerciantes judíos-alemanes emigrados a Amsterdam en 1933, se ocultaron de la Gestapo en una buhardilla anexa al edificio donde el padre de Ana tenía sus oficinas. Eran ocho personas y permanecieron recluidas desde junio de 1942 hasta agosto de 1944, fecha en que fueron detenidos y enviados a campos de concentración. En ese lugar y en las más precarias condiciones, Ana, a la sazón una niña de trece años, escribió su estremecedor Diario: un testimonio único en su género sobre el horror y la barbarie nazi, y sobre los sentimientos y experiencias de la propia Ana y sus acompañantes. Ana murió en el campo de Bergen-Belsen en marzo de 1945. Su Diario nunca murió. Traducción de Diego Puls

El Diario de Ana Frank constituye uno de los testimonios más conmovedores de los campos de exterminio más conmovedores de los campos de exterminio judío. Durante los dos años pasados en clandestinidad refugiada en el trastero de una oficina en el centro de Ámsterdam, escribió Ana Frank su diario, que luego de la Segunda Guerra Mundial fue publicado en más de 50 idiomas, convirtiéndose en un testimonio universal de la barbarie nazi. Ana era una niña judía de trece años, hija de comerciantes alemanes, que, cuando las primeras persecuciones nazis, creyeron hallar en Holanda la salvación definitiva. Cuando, en julio de 1942, los Frank tuvieron que elegir entre dos decisiones: someterse al allanamiento de la Gestapo o esconderse costase lo que costase, de los dos términos de la alternativa prefirieron el segundo.

ENGLISH

DESCRIPTION Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic; a powerful reminder of the horrors of war and an eloquent testament to the human spirit. In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Customer Reviews

Excellent book. I teach mostly Hispanic students. We read the English and Spanish version simultaneously. It really helped them understand. I always tell them it only takes one person to change the world, even a little 14 year old German girl. Now they understand. Well written, clearly translated.

I have not received this so much desired book as of now. I know what I am looking into and I will be very satisfied what seems to me a testimony, direct witness of one the worst calamities we as human beings have to suffer because of other human beings.

Atrapante de principio a fin. Lleno de enseÃ±anzas y reflexiones tan actuales hoy como en el momento en que fueron escritas. Vale la pena dejarse llevar por el relato de esa adolescente, que no tiene nada que envidiarle a ningÃºn escritor profesional. Analiza con total naturalidad y frescura la complejidad de las relaciones dentro y fuera de su nÃºcleo familiar, al mismo tiempo que describe los cambios propios de la adolescencia, aunque matizados por la situaciÃ³n que le toca vivir. Todo esto lo hace con una capacidad de introspecciÃ³n y una autocrÃ­tica admirables, lo que deja ver el verdadero genio detrÃ¡s de esa redacciÃ³n. Simplemente imperdible.

Me gustÃ³. Un buen libro. Me genera dudas la ediciÃ³n que hizo del diario el padre de Ana Frank. Pero la historia de esta niÃ±a es dura y directa, no me parecÃ­a que ella fuera tan inocente para su tan corta edad, se le notaba una personalidad fuerte y con bastante criterio. Un libro que hay que

tener.

I recommend this book for those that like of a good reading that in addition it allows them to have an idea of the environment that developed during the terrible years when the Nazism was in the power!!

Â¡Me sirviÃ para entender que mi dolor de panza no era nada comparado con la vida de Ana!Es un grandioso libro Ã Â Ã“Â—, cuando lo terminÃ© lo extraÃ Ã© mucho.

How can one not think this is an awesome book. Its a true story diary what can one expect. I loved it just wished ann would have had the chance to make it and finished her diary with a happy ending

Fue interesante el conocer el trasfondo de la guerra a travÃ©s de los ojos de una niÃ a, que no era tan niÃ a, creo q todos nos dimos cuenta de ello con sus argumentos tan bien expuestos.
