## Synopsis

Pick your path to find the perfect guy in this personalized romance set on the ski slopes! A book version of *The Bachelorette*! What better way to spend your vacation than on the slopes? In this unique romance, the readerâ€™s in the driverâ€™s seatâ€”creating her own path through the narrative and ending with one of eleven different guys. By making selections at the end of each chapter, the reader decides who will be her perfect match. It could be the athletic ski instructor, one of the adorable twin brothers in the lodge, or the sweet guy with the broken leg by the fireplace. Finding your dream guy couldnâ€™t be easier, and it all takes place against the snowy backdrop of a romantic ski resort. And if not all readers are looking for love, there are other options: to hang with your sister, make new friends, or spend some time alone. But any way you slice it, every reader will have their love on the lifts!

## Customer Reviews

Love on the Lifts is the perfect teen choose your own romantic endeavor story. I remember the "choose your own adventure books" when I was growing up and always enjoyed the numerous choices I could make to create my own unique ending. Love on the Lifts is similar to those stories with a romantic twist. You find yourself with a broken heart, courtesy of your cheating boyfriend. Your family is headed to the slopes for a week of skiing. Your sister challenges you to meet and kiss a

boy hoping it will help you forget your loser ex-boyfriend. You take the dare and are on the lookout for a kissable candidate. Who will it be? Red parka boy, the cute blonde, the snack bar guy, the list goes on and on. This book was so much fun! I read through several times making different choices each time and finding a new "happy ending" along the way. The book is well written and I was drawn into the story like I was actually experiencing each love story first hand. This is a great tale for teens! Just in time for Valentine's Day, Love on the Lifts is a must read.

Love this novel. I really like this novel for when I am between reads. It's fun to choose your own adventure. You can make it a long story or a short one. It's up to you. I still haven't chosen all of the endings but each one I have has been fun. Rating: PG to a light PG-13
