# How To Make Money Homesteading: So You Can Enjoy A Secure, Self-Sufficient Life

## Synopsis

Wherever you are, this audiobook can provide information on how to start a business to fund your self-sufficient lifestyle! Wouldn't you like to escape the hectic pace of modern life and enjoy a worry-free, self-reliant lifestyle? A lifestyle in which your family builds and shares lasting memories of growing your own food in a natural setting instead of spending hours in front of televisions and computers? Whether you hope to move to the country or simply stay closer to the city, this book will tell you: How to create streams of self-sufficient and passive income wherever you are How you can live a vibrant, healthy lifestyle and take care of yourself and your family How you can get out of debt just as others did on their path to self-sufficiency The 23 critical questions to ask before buying rural property That you can insulate yourself from financial collapse and "SHTF" doomsday scenarios How to retire happy and how to use homesteading as the new retirement plan Featuring profiles of 18 homesteaders and farmers who share intimate stories of their own journeys toward a healthier, freer, more fulfilling lifestyle, this audiobook provides actionable ideas that you can use to achieve your dream of self-sufficiency. From how others got out of debt, to what to consider before buying land, to the critical steps to take when setting up a sustainable homestead or farmstead business, this book details the strategies that will save you money, generate income, and put you on the path to self-sufficiency. From the best-selling author of *The Accidental Farmers*. I wrote this book hoping to inspire you to pursue a more self-sufficient lifestyle, just as I did many years ago. Becoming more self-sufficient doesn't mean you have to go "all-in", you can choose the level of self-sufficiency you desire.

ASIN: B00XKHERH2

Best Sellers Rank: #3 in Books > Audible Audiobooks > Nonfiction > Lifestyle & Home >

Gardening #56 in Books > Business & Money > Small Business & Entrepreneurship > Home

## Customer Reviews

Possibly the single biggest hurdle for anyone wanting to leave the city and move rural is the issue of how to make a living in the country. A fortunate few can take their jobs with them (i.e. telecommuting). Others are retired. But what about the rest of us who don't have those options? Many novice ruralites have the naïve notion they can make a living by farming or homesteading. But what does it REALLY take to make a living from your land? There is an enormous gap between dreams and reality. Tim Young's "How to Make Money Homesteading" steps in to bridge that gap. In a clear and no-holds-barred writing style, Mr. Young explains some of the methods homesteaders can use to make a living from a small farm. Some suggestions have to do with producing from the land itself; others call for utilizing skills to provide goods or services; yet other suggestions deal with thrifty ways to spend less. Whether it's earning an income through your land, your products, or your skills "or all of the above" this book lays it on the line. It also gives numerous examples of people who have successfully created markets and a livelihood while living rural. Mr. Young points out that the lure of the land "the desire to leave behind urban chaos and start each day listening to roosters and robins" is embedded in many people, but they are shackled by the golden handcuffs of employment. Country living isn't free or even cheap. It requires money. To miss this critical truth and assume rural expenses are negligible is a setup for failure. Or, as Mr. Young puts it, "Economics are not only important, they may be THE most important aspect of successful homesteading." It's far better to acknowledge from the beginning that money is necessary, and to find ways to earn it.
