Customer Reviews

It was very brand new, and it is a rental which I didn't expect but it doesn't matter what condition it came in as long as I could read it. Now I just have to worry about not getting a spot of anything on it yikes! lol but overall it's great. :)

Love this book. Very thorough. Excellent and comprehensive from cover to cover. Great example of blended learning with online video interactive lessons and exercises too.

I bought it and it is very helpful in my study. and the price is great look like a I buy new book

Interesting read, a little lengthy, but current information is helpful.

My book came faster than expected and it was brand new!

Lots of useful information I will recommend it

A wonderful textbook and full of informationâ .
