# Steampunkery: Revised And Updated Swellegant! Edition

## Synopsis

If you take that Victorian Mad-Scientist Adventurer look (clockwork gears, brassy bits, and even some lacey filigree) and apply that to polymer clay creativity, you've got STEAMPUNKERY! This book combines sculpting tricks (like making a miniature leather strap complete with wire buckle and tiny little fake stitching) with vintage embellishments (like watch parts), found objects (like old pen nibs), and stuff you've got in your craft stash (like beads and paper scraps). There is a lot to enjoy in this book: a hinged heart pendant that opens to reveal its inner workings, cute little steampunk critters (complete with goggles of course) and other fun stuff: focal beads, sculptures, wall pieces, even things you can add to costumes, if you're into that sort of thing. Challenging, but not stressful, structured without being confining, it doesn't matter what your skill level is, all the projects are step-by-step with lots of pictures and explanations (and some silliness to keep things interesting). Plus there are lots of hints and creative nudgings to help get your imagination gears turning!

## Book Information

Paperback: 96 pages

Publisher: CF Books; Rev Upd edition (February 7, 2015)

Language: English

ISBN-10: 0988732971

ISBN-13: 978-0988732971

Product Dimensions: 6 x 0.3 x 9 inches

Shipping Weight: 8.8 ounces (View shipping rates and policies)

Average Customer Review: 4.1 out of 5 stars See all reviews (9 customer reviews)

## Customer Reviews

Book binding fell apart day one. Excellent content; very poorly made. Bought early for my son's birthday and we are past the return window. Would otherwise have been a great book.

Loved the content! Fun projects and interesting techniques...but the worst binding I've seen in a while. Open it twice and out come the pages. If I were the author, I would do a spiral binding version

that can lay flat. I have a clamp holding my pages in. Five stars for the content, one star for the binding.

I bought the original which promptly fell apart at the binding. Hoping this 'swellagant' version stays bound.

Love the ideas in this book! I think I can utilize them in other crafts. Well written and photographed !

Expected a little more from this book. Purchased for my wife but thumbing through it, I was unimpressed.
