## Synopsis

Graffiti made from cake icing, man-made clouds floating indoors, a luminous moon resting on water. Collected here are dozens of jaw-dropping artworksâsite-specific installations, extraordinary sculptures, and groundbreaking interventions in public spacesâthat reveal the exciting things that happen when contemporary artists play with the idea of place. Unexpected Art showcases the wonderfully experimental work of more than 50 innovative artists from around the world in galleries of their most astonishing artworks. An unusual package with three different-colored page edges complements the art inside and makes this tour of the world's most mind-blowing artwork a beautiful and thoughtprovoking gift for anyone interested in the next cool thing.
