Raiz De Amor (Serie Roja) (Spanish Edition)

Synopsis

This anthology of love poetry for young adults brings together great Spanish and Latin American authors from the 20th century that take on the topic of love from every angle: the memory of a childhood sweetheart, the love between parent and child, passionate love, unrequited love, and love that only absence inspires. In this carefully curated volume, the reader can clearly sense the intention behind the work: to show, as the anthologist says, that poetry is a way to write love | and to write life. Esta antología de poesía amorosa para jóvenes reúne a grandes autores españoles y latinoamericanos del siglo XX que abordan el tema del amor desde todos sus ángulos: el recuerdo de un amor infantil, el amor paterno y el filial, el amor apasionado, el no correspondido y el que solo provoca ausencia. En este cuidado volumen el lector percibirá claramente la intención que hay detrás: la de mostrar que, como dice la antologadora, la poesía es un modo de escribir el amor... de escribir la vida.
