Customer Reviews

Very nice book giving many different needlepoint stitches and how to do them both horizontally and diagonally.

Great descriptions, easy to follow, exactly what I was looking for.

This was actually for my wife. She is very happy with this purchase.

This is a very useful book. Can be used as a resource for learning or find specific stitches. The book has not only cross stitching but needlepoint and needlework.

Very good book yo learn different things about needlepoint

Another book added to my collection for stitching reference and thanks for the speedy delivery.

Not my favorite,

Excellent book. Prompt delivery.
