## Customer Reviews

I've been buying the H-D calendar for my husband as a Christmas gift for at least 10 years. The pictures are beautiful. The only gripe I have is that for the last 5 years or so, the holes for hanging are a different distance apart every year. Now I have many holes in my wall in the same general area.

I love the David Blattel Harley Davidson calendar, we buy one every year and it hangs in the kitchen.Great size, great photos.I get allot of free calendars from work but no Harley ones, I'm glad they are available from because it's way more convenient than trying to find one in the shops.

Beautiful pictures, nice big calendar. Love it.

This calendar was a gift. But the quality was obvious when I received it and the recipient absolutely loved it. The larger size, the photos, and overall great quality made it a winner!

I order a calendar every year for my sister in law, I love the quality and absolutely love the service I get when ordering. I've never had an issue.

I've been buying this same Calendar FOR YEARS, and was disappointed to find that the 2016 version was printed with a smaller calendar grid.

This was a Christmas present. I guess it was OK, but the guy thought I got too many snowmen for his woman.

Better price than could get at the Harley dealership- that's a win in my book! Large size and great quality
